OFFICE OF PETITIONS

In re Application of :
Dumas, et al. :
Application No. 10/720,702 : **ON PETITION**
Filed: November 24, 2003 :
Attorney Docket No. 5052D1 :
For: SUBSTITUTED PYRIDINES AND
PYRIDAZINES WITH ANGIOGENESIS
INHIBITING ACTIVITY

This is a decision on the petition under 37 CFR 1.137(b), filed February 25, 2008, to revive the above-identified application.

The petition under 37 CFR 1.137(b) is **GRANTED**.

This application became abandoned for failure to timely reply to the Restriction Requirement, mailed July 26, 2007, which set a one month or thirty day (whichever was longer) shortened statutory period for reply. No proper extensions of time having been obtained pursuant to 37 CFR 1.136(a) and no reply being received in the Office, this application became abandoned on August 27, 2007. No Notice of Abandonment has been mailed.

Applicants have submitted a proper reply to the Restriction Requirement in the form of an election, an acceptable statement of the unintentional nature of the delay in responding to the Restriction Requirement, and the petition fee. Accordingly, the petition under 37 CFR 1.137(b) is granted.

After the mailing of this decision, the file will be returned to Technology Center AU 1621 for consideration of the election filed on February 25, 2008.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3230.

Shirene Willis Brantley
